SEGA SHOW

The Segha dance is originated from the ritual music of Madagascar and the mainland of Africa, and it is the Musical Expression of the Mauritian Way of Life: joy and liveliness. The original instruments are fast disappearing, making way for the more conventional orchestra ensemble. However, all along the coastal fishing villages, the traditional instruments such as the "Ravanne", "Triangle", the "Maravanne" and the traditional guitar are still being used.

To experience this folkloric dance at our Resort, we have a live Segha Show at The Retreat Bar as from 9:30pm every Monday.

What to do in the north

Grand Baie is the Mauritian centre for sailing activities.

Visitors can join a boat tour, a catamaran cruise or even charter a private boat for a day here. Weather permitting, conditions are usually excellent for sailing around Mauritius or to visit some of the northern offshore islands.

SSR Botanical Gardens are one of North Mauritius' most visited tourist attractions. Famed for their giant Victoria Amazonica Water Lilies whose gargantuan leaves expand as wide as three meters in diameter, and for the amazing Talipot, a plant that flowers only once every 30 to 100 years!

Adventure starts here

Join us for inspired activities that help kids connect with their environment and learn about their destination, enriching your family's experience here in Mauritius.

THE HEAVENLY SPA DETOX PROGRAM

Feelings of sluggishness and weariness can signal the need for a body detox. The Heavenly Spa detox massage treatments use body wraps and advanced massage techniques to tone and firm skin, stimulate circulation, target areas prone to cellulite and drain the lymphatic system to help eliminate toxins from the body. These stimulating treatments clear and revitalize the mind while improving the appearance of the skin.

First of all, circulation is stimulated through body exfoliation using warm and iced mitts; a body wrap is then applied to address problem areas prone to cellulite, fluid retention and uneven skin texture. Lastly, a lymphatic drainage massage follows to help the body eliminate toxins, tone the skin and revitalize the mind. A course of treatments is recommended to maximize the effects.

Includes: Exfoliation with iced and warm mitts – detox wrap – lymphatic drainage massage – scalp massage

For a safe and comfortable stay

Dear Guest,

At The Westin Turtle Bay Resort & Spa Mauritius, we know how important your valuables are to you and your comfort to us. The island being a peaceful and relaxed destination, we want to ensure that you have a wonderful stay and recommend the following precautions for a safe and enjoyable holiday experience.

ADMITTANCE

Never admit repairmen or strangers to your guest room without checking with management. Never admit persons with unsolicited deliveries.

DISCLOSURE: When in the presence of strangers, do not reveal the name of your hotel, your room number or your plans for being away from the hotel.

IN-ROOM SAFES

For your convenience, complimentary in-room safes are located in each guest room. Follow the instructions located inside the safe.

Please note: under local law, the hotel is responsible for loss only when articles are stored in safe-deposit boxes (available at the Front Desk at no charge).

ROOM DOORS AND WINDOWS

Your room door is equipped with a double locking system. Lock your door from the inside while occupying your room.

For additional security, use the safety latch. Be sure your guest room door is locked and secure openings to balconies or patios before retiring or leaving your room.

ROOM KEY

Safeguard your room key preciously. If you lose it or if it is stolen, report it to the Front Desk immediately. Please deposit your room key at the Front Desk. Do not leave your key in your room.

Access to guest rooms will not be permitted without a valid guest room key. For your own security, every individual is required to show photo identification when requesting an additional guest room key.

SAFE-DEPOSIT BOXES:

Safe-deposit boxes can be obtained free-of-charge at the Front Desk, subject to availability. Do not leave any valuables in your room or inside parked vehicles.

BEACH SAFETY

We hope that you will find the time to enjoy our beach during your stay in Mauritius. We have a dedicated swimming zone on the beach which is indicated by buoyed ropes.

The hotel is uniquely located at one of the island's natural marine reserves. This provides ample opportunity to discover indigenous species, however, also needs attention regarding some of the species that may cause harm.

Some varieties of fish and sea urchins may be poisonous if stepped on or touched and the coral which breaks from the reef may be sharp. As a precaution, it is advisable to watch where you are walking. We recommend that footwear such as reef shoes be worn in the sea. Should you be stung by any creature, please seek medical attention at once or contact a member of our staff for assistance.

Emergency telephones are also located at each swimming pool area.

BEACH VENDORS

Vendors are not admitted on resort premises. However, all beaches in Mauritius are public. You may purchase goods from vendors carrying a licence issued by the Ministry of Tourism. They are not allowed to sell food, and normally cooperate by respecting your privacy. Should you encounter any difficulty, please contact a Security Officer immediately. The Westin Turtle Bay Resort & Spa Mauritius will bear no liability for articles or excursions purchased from beach vendors.

If at any time during your stay you notice anything of a suspicious or alarming nature, or have need of any special assistance, please contact the management.

PREVENTION AGAINST MOSQUITOES AND INSECTS

Being on a Tropical Island and in line with our efforts to keep the environment free from insects and mosquitoes, we carry out fumigation on a regular basis at the property.

While the sprays used are harmless and non-toxic to humans, please accept our apologies for any inconvenience caused.

We also recommend you to keep our room and balcony door closed especially at light to avoid mosquitoes and insects to enter your room.

As additional measures for your comfort, mosquito repellent gel, lotion or spray, available at the resort's shop, (nearby the reception) for basic precaution.

Things to do in Mauritius

Things to do in Mauritius while staying The Westin Turtle Bay Resort & Spa Mauritius we appreciate how hard it can be to drag yourself away from such peaceful surroundings.

But with so much to see and do on the island, it would be a shame not to venture beyond the gates of your resort. Follow our guide to the best things to do in Mauritius and go beyond the hotel – know your destination and Mauritius culture.

WANDER THROUGH PORT LOUIS MARKET

Take a stroll through the daily Port Louis market for a real insight into the people, produce and culture of Mauritius. Take time to absorb all the different sights and sounds, and experience the sweet scent of exotic fruits, herbs, spices and street food.

VISIT CAP MALHEUREUX

Spend an afternoon ambling through this atmospheric fishing village just north of Grand Baie on the island's northernmost tip. Due to a history of shipwrecks, the name translates as 'Cape Misfortune' but there's nothing sad about this secluded beauty spot with views out to the offshore islands of Ile Ronde, Ile Plate and Coin de Mire.

WALK AROUND GANGA TALAO

Considered by many to be the most sacred Hindu place in Mauritius, Ganga Talao, otherwise known as Grand Bassin, is a secluded lake which lies within the crater of an extinct volcano about 550 metres above sea level.

A popular spot for locals and tourists alike, the site is also home to a temple dedicated to Shiva and other Hindu gods.

LEARN ABOUT THE ISLAND'S PAST AT AAPRAVASI GHAT

One of two World Heritage Sites in Mauritius, Aapravasi Ghat is the original immigration depot which saw more than half a million indentured labourers arrive between 1834 and the 1920s to work in the sugar plantations.

Most Mauritians are able to trace their ancestry back to this site.

DISCOVER BLACK RIVER GORGES NATIONAL PARK

Much of the forested mountain range in the island's south west corner belongs to Black River Gorges National Park. This protected haven for endangered species of flora and fauna is full of hiking trails and viewpoints, and is one of the best places in Mauritius to feel at one with nature. The deep green views across this remote volcanic landscape are spectacular.

BAGATELLE MALL OF MAURITIUS

Bagatelle Mall of Mauritius is the leading shopping and retail destination in Mauritius. Play well

At Westin, we believe that all guests should leave feeling better than when they arrived, not just the adults. While some things in life make everyone feel better, sand between your toes, a frosty drink on a hot day, the perfect night's sleep, it takes a special kind of experience to leave kids worldlier, happier, and maybe even healthier.

One part curiosity-sparking, one part wonder-inspiring, the 'Westin Family' program takes inspiration from nature and promotes a sense of well-being.

Through both guided, collaborative activities and carefree, imaginative play, the program lets kids choose their own path of discovery.

Westin Family opens young guests up to new experiences and challenges them to explore and reflect in pursuit of feeling their best, awed or excited, centered or energized, motivated or celebrated.

Recognizing that kids are the most important part of a family vacation, the Westin Family integrates parents' and kids' activities to foster togetherness, treating our youngest guests with the respect they deserve while celebrating them as the kids that they are.
